RE: Electronic Health Record (EHR) Incentive Program

EFFECTIVE: Immediately

The IME has contracted with Myers and Stauffer LC to perform post payment audits for the EHR incentive program. Providers who have been randomly selected for post-payment audit will be contacted by Myers and Stauffer LC who are based in offices outside the State of Iowa.

If a provider is selected for a post-payment audit, they will have 30 days to respond and provide documentation so Myers and Stauffer LC can complete the review.

Information collected will be held in strict confidence in compliance with all applicable policies, requirements, regulations, and statutes. Myers and Stauffer LC have safeguards to prevent use or disclosure of information obtained during the course of the engagement. Myers and Stauffer LC will report the results of the review to the IME.

Failure to cooperate with the Myers and Stauffer LC desk level review may result in recovery of some or all of the EHR incentive payment.

If you have any questions regarding the Medicaid EHR Incentive Program, please call 515-974-3205 or email imeincentives@dhs.state.ia.us.
